Each year, the Milwaukee Aging Consortium holds a forum to discuss the latest in Family Care, the state's pilot program for community-based long-term care for older or disabled people on Medicaid.

This year's issues include expanding the Milwaukee County program to include adults with disabilities. Approximately half of the time will be devoted to questions and discussion.

1:30 – 2:30

Family Care in Milwaukee County and the rest of the state 2008-2009

David Pifer, SeniorLaw

Maria Ledger, MCDA

Paul Soczinski, Community Care Organization

2:30–3:30

Case Studies: Exploring how Family Care works

Experienced providers in disabilities and others (TBA)

consider Family Care scenarios:

- using self-directed supports
- older parents with older adult children with disabilities
- mental health care

*** Now's a great time to join the Milwaukee Aging Consortium if you don't already belong! For information contact Chris McLaughlin, 414-289-0890 (cmclaughlin@milwagingconsortium.org)**
