## Merry, happy, snow-covered, and grateful

By combining resources in this relationship we call "consortium," we do so much more than any of us could do alone. And so, in this season for giving, we'd like to take a moment to give thanks and recognition to our members, friends, and sponsors.

You have given much to older people in this community, to each other-and to us. May you enjoy this special time of the year!

Please take a moment to note our sponsors in the left hand column. Their financial support helps keep our mission alive. But they also participate in our activities and provide inspiration. The new [website](#) sponsors are facilitating our ability to share information throughout and beyond our partnerships. At the same time, we are giving sponsors exposure and linkage to an important audience. (Other sponsorships including the Platinum Sponsor are available: [information here.](#))
